

## 基本信息

姓名: 吕垣泰  
出生日期: 2004-03-03  
性别: 男  
电话: (+86) 177-8203-0045  
邮箱: 1606070893@qq.com

政治面貌: 群众  
民族: 汉  
学历: 本科在读

## 教育背景

2022.9-2026.6      重庆大学      机械工程专业      本科在读

◎ 主要课程: 学习掌握了机械原理, 机械设计, 工程材料与成型技术基础。同时具备使用 MATLAB、C++、Python 等编程语言进行辅助工作能力。在学校开展的实习项目中, 学习了相关的材料力学内容, 并熟悉掌握了使用 SolidWorks、UG 进行基础建模、零件装配、运动学仿真以及有限元分析等工作。

## 实践经历

- ◎ 第十五届大学生科研训练计划 (SRTP) 项目结题成绩优秀, 参与文献收集整理、现状综述、市场调研等工作。
- ◎ 在校实习期间参与项目产品开发, 参与市场调研、国内外现状分析整理、产品设计调试等工作

## 个人能力

- ◎ 熟练掌握使用 SolidWorks、UG、ADAMS、ANSYS 等工程软件进行建模分析。
- ◎ 熟练使用 MATLAB、C++、Python 等编程软件, 具备软件编译基础。
- ◎ 熟练使用 Excel、Word、PowerPoint 等办公软件。
- ◎ 掌握机械原理、设计相关知识, 掌握材料力学基础知识。
- ◎ 具备查询收集专利、文献, 进行文献综述的学术写作能力。
- ◎ 具备研究问题解决问题的能力, 面对工作积极主动, 有团队协作精神。愿意主动学习岗位相关知识、技能。
- ◎ 通过英语四级, 具有基础的英语沟通能力。

## 自我评价

- ◎ 工作认真负责, 积极主动, 具有合作协调能力, 服从整体安排。
- ◎ 表达清晰, 逻辑思维能力强, 能迅速适应新的环境。

## Basic information

---

Name: **Lv Yuantai**  
Date of Birth: 2004-03-03  
Gender: Male  
Phone: (+86) 177-8203-0045  
Email: 1606070893@qq.com

Political outlook: The masses  
Nationality: Han nationality  
Education: Bachelor's degree

## Education

---

**2022.9-2026.6      Chongqing University      Mechanical Engineering      UGS**

- ◎ Main courses: have mastered the fundamentals of mechanical principles, mechanical design, engineering materials and molding technology. At the same time, it has the ability to use MATLAB, C++, Python and other programming languages for auxiliary work. In the internship project carried out by the school, I learned the relevant material mechanics content, and was familiar with the use of SolidWorks and UG for basic modeling, part assembly, kinematic simulation and finite element analysis.

## Personal Experience

---

- ◎ The 15th Undergraduate Research Training Program (SRTP) project has achieved excellent results, and participated in literature collection and collation, current situation review, market research, etc.
- ◎ I the internship period, he participated in the product development of the project, participated in market research, analysis and sorting of the current situation at home and abroad, product design and debugging, etc.

## Personal abilities

---

- ◎ Proficient in using SolidWorks, UG, ADAMS, ANSYS and other engineering software for modeling and analysis.
- ◎ Proficient in Matlab, C++, Python and other programming modeling software, with software compilation foundation.
- ◎ Proficient in Excel, Word, PowerPoint and other office software.
- ◎ Have the ability to search and collect patents and literature, and conduct literature reviews.
- ◎ Have the ability to study and solve problems, be proactive in the face of work, and have the spirit of teamwork. Willing to take the initiative to learn job-related knowledge and skills.
- ◎ Passed CET-4 with basic English communication skills.

## Self-evaluation

---

- ◎ Have the ability to cooperate and coordinate, and obey the overall arrangement.
- ◎ Have strong logical thinking skills, and be able to adapt quickly to new environments.
